OBJECTIVE

Front-End Developer with hands-on experience building, deploying, and maintaining responsive, user focused web applications using React.js, Next.js, and modern CSS frameworks. Experienced in translating business requirements into functional, visually appealing interfaces, integrating APIs, and delivering production-ready solutions. Proven ability to work independently, collaborate with teams, and build real world projects used by actual users.

SKILLS

Technical Skills: HTML, CSS (Tailwind CSS, Styled Components), JavaScript (React.js, Next.js), Basic Node.js, Basic Python, Git

Professional Skills: Project & Time Management, Critical Thinking & Problem Solving, Strong Verbal and Written Communication

PROJECTS

BES – Engineering Services Platform | *Front-End Developer*

Built a responsive business website to showcase engineering services and capture client inquiries, improving online visibility and lead generation. Implemented reusable **React components**, **form handling with Formspree**, and **responsive layouts using CSS Modules**.

FarmConnect — Admin Management Platform | *Front-End Developer*

Built a secure, admin-only web application for managing farmer and customer records with authentication and API-driven workflows. Implemented a responsive interface using **Next.js** and **Tailwind CSS**, and developed custom **Node.js POST APIs** to handle data submission and server-side logic.

Little-Lemon – Restaurant Web Application | *Front-End Developer*

Built a responsive restaurant website that allows users to browse the menu, make reservations, and place orders online, implementing form validation and state management for a smooth user experience using **React.js**, **Styled Components**, **Formik & Yup**, **Local Storage**, and **Git**.

WORK EXPERIENCE

EiSoft Limited — Front-End Developer Intern

Lagos, Nigeria | Jan 2024 – Dec 2024

- Built and maintained responsive user interfaces using modern front-end technologies.
- Implemented feedback from regular code reviews, improving development efficiency and best practices.
- Gained hands-on experience working on real-world projects in a professional environment.
